have to continue to do this and disrupt what is a good bill now. I think we should oppose this and let it go across and then, if they are so concerned, I say again, let's get with it in the interim and you help and let's get something that will take care of it, but you are not going to get that all done now.

SPEAKER: Is there any further discussion on the motion? Senator Koch.

SENATOR KOCH: Mr. Speaker, members of the body, I conferred with Senator Nichol this morning and I gave him my promise that if we would allow this bill to do, that next session that I would separate the administrators from this bill so that they would be entitled to due process and hearing before dismissal time and I would hope that my word stands and I would oppose this amendment. In fact, I oppose it for another reason, the fact that I don't really know what it says. It's not printed.

SPEAKER: Is there any further discussion? If not, the motion to return LB 82 by Senator Nichol for a specific amendment. Record your vote. The Chair mistakenly voted for Senator Burbach. I thought I could push the button up here but the Clerk informs me that I can't, so I want that erased. Have you all voted? Record the vote.

CLERK: Senator Savage voting no. Senator Burbach not voting. It would be 15 ayes, 25 nays, Mr. President.

SPEAKER: The motion is lost. Senator Koch, did you wish to say something. Your light is on.

CLERK: Mr. President, your Reference Committee reports that it did refer LB 140 to the Judiciary Committee. Signed Senator Mahoney, Chairman. Mr. President, notice of Committee Hearings. Urban Affairs sets bills for hearing on February 26th. Signed Senator Fowler. Mr. President, I move to amend Legislative Reso...I ask unanimous consent to amend Legislative Resolution 14 as it appears in the Legislative Journal on Page 486, page 2, to delete the word "army" in the last line. Signed Senator Rasmussen.

SPEAKER: Are there any objections? So ordered.

CLERK: That's all, Mr. President.

SPEAKER: Go to General File now, do we?

CLERK: Yes.
